Parking East Side

Parking & Access Information for Guests

Please see map below. The postcode for the yellow car park is M11 3FF.

Secure parking is available in the Yellow Car Park on a first come, first served basis. The Blue car park will be used as overflow if yellow becomes full. (Blue is around 10 minuet walk from the East Reception. With due consideration for the environment, we also strongly recommend that your guests consider public transport, especially the Metrolink:

The Etihad Campus features its own onsite Metrolink tram stop which helps to connect the site 365 days a year, especially on event days. The service runs between Etihad Campus and Manchester City Centre runs every six minutes and guests can reach Manchester Piccadilly Station in under 10 minutes. This means those travelling by train, into the City's busiest train station, can get to the ground easily and efficiently without needing to walk or get a taxi.

Operated and managed by Transport for Greater Manchester, the service connects the Etihad Campus to 98 other stops across the network including the Manchester Victoria Station.

For more general information about the Metrolink service please visit <https://tfgm.com/public-transport/tram/>

We have around 350 spaces in the yellow car park.

Once parked guests will take the short walk (5 minuets) to the EAST Stand pictured on the map.

Bags will be searched upon entry.
